## JOIN US AT THE 98<sup>TH</sup> REUNION ON AUGUST 4, 2007

St. John's Center United Church of Christ, 432 Reading Road, East Earl, Lancaster Co., PA

### President's Column

Happy New Year to all members and friends of the Overholser Family Association! May you have a most prosperous 2007. Congratulations to all for attending the association's 100<sup>th</sup> anniversary in 2006. I am honored to be your president as we enter our 101<sup>st</sup> year and I am mindful of the large footprints of my predecessors. They are reminders of the task ahead and provide a benchmark of what is expected of this office. I will do my best to uphold the high standards set by them.

Looking down the highway of history, we see that the OFA has been in existence for almost one half of the life of our republic. Like our Republic, we are proud that the fabric uniting us has not come unraveled throughout the past 100 years. This, despite a major shift in our nation's cultural and demographic composition, is most encouraging. With one century behind us, we have visions of an even brighter second century in store for the Overholser Family Association.

The most promising indicator of a bright second century is the encouraging number of attendees at the 2006 reunion. (Almost 90 attended) Some will say, perhaps justifiably, that the large turnout was attributable to the fact that we were celebrating our 100<sup>th</sup> anniversary. Be that as it may, more enthusiasm was evident at that reunion than any I've attended thus far. We should be able to leverage that enthusiasm again this year and for many years to come. On behalf of the Overholser Family Association, I extend a sincere "Thank You" to each attendee. Also, thanks to our hard-working officers for their dedication, in making our 100<sup>th</sup> anniversary reunion so spirited. If the spirit of 2006 carries over into 2007, we can match the 133 member attendance of our second reunion in 1907. Growth is the pulse of life for this organization because it assures our continued existence.

As plans are being firmed up for our 2007 reunion, it is reassuring to know that a site has already been selected, due to the efforts of Rev. John Weiler and Carolyn Kendall. Your voices were heard in their selection. Once again, it will be held at St. John's Center United Church of Christ, 432 Reading Road, East Earl, Lancaster Co, PA. We will have Friday night once again at Yoder's on August 3<sup>rd</sup> and the reunion on August 4<sup>th</sup>. Plan to attend and bring a guest or prospective member with you. More information will be provided in our next OFA Bulletin. We plan to make 2007's reunion exciting and meaningful. In the intervening months, look into the background of your family line and select an event or an individual whose background that you would enjoy sharing with us next August. Feel free to talk about a related family line as well.

Finally, I would like to suggest that we dedicate this reunion to the memory of those young Amish school children who met with tragedy last October in Lancaster County. They, and their stricken families, like our Overholser Family Association, are fellow Pennsylvanians, kindred spirits, whose roots are embedded in this states early history. Perhaps a few words of remembrance and a moment of silent prayer would be appropriate.

Jack Sholl

Due to circumstances beyond my control, this issue was late this year.

**RUTH OVERHOLSER**

Spencer Overholser's wife Ruth came home from the nursing home (and a few hospital visits) just before Thanksgiving. While in the nursing home, she wrote 3 verses to the reunion song in celebration of our 100<sup>th</sup> Anniversary. She always led the singing of the reunion song and we really missed her.

**A 300<sup>TH</sup> ANNIVERSARY CELEBRATION**

The Kolb-Kulp-Culp Family Association is planning the 300<sup>th</sup> anniversary in 2007 of the arrival in early 1707 of three Kolb brothers Martin, Johannes and Jacob from Germany. Their brother Heinrich followed in 1709. They were the sons of Dielman Kolb and Agnes Schumacher whose father Peter Schumacher came in 1685. Anyone interested in attending the 300<sup>th</sup> anniversary celebration, contact Ruth K. Oberholtzer, 209 S. 5th St., North Wales, PA 19454

Hopefully, the minutes of the 100<sup>th</sup> Anniversary August 5, 2006 will be in the August issue of the Bulletin

**A FOND FAREWELL TO JIM AND A HEARTY WELCOME TO JACK**

Jim Overholser has finished his two year term as president and we thank him for a job well done. And a special thank you to his wife Kathy for her many contributions. Jack Sholl, our new president, lives in California and he spends some of his time in Philadelphia where he is a volunteer tour guide at Independence Hall, Congress Hall and the Liberty Bell. He was involved in getting the French Normandy Liberty Bell, which is an exact model of our Liberty Bell, to Philadelphia 7/4/2005 and was one of the Bell Ringers that day. He is a member of the SAR through ancestors Abraham Overholtzer (AS), George Sholl and Jacob Zartman, Sr. He is also on the Golden Eight rowing team which has won medals in international competition since 1985.

## THE DOANE FAMILY OF BUCKS COUNTY, PENNSYLVANIA

Abraham Doane 1804-1887 Haldimand County, Ontario, Canada married Elizabeth Swartz [IC41]. His father Joseph was one of the Doane Renegades of Bucks Co which consisted of Joseph and his brothers Moses, Aaron, Levi and Mahlon. Their first cousin Abraham Doane was the sixth member of the band. They were Quakers and did not believe in war. They were angered when a local Whig tax assessor imposed what they considered an unreasonably large levy on their father's property. These taxes went to support the American side of the Revolution.

The Doane Gang would raid the home of a patriot farmer or tax collector and demand valuables or money. If no money was forthcoming, the person would be beaten or tortured by the gang. In the early stages of their raids, the Gang had nothing to fear from the authorities because there was no organized police force and the local militia was engaged in the war.

The Doanes worked regularly with the British Army as spies and Moses is said to have met with British General Howe on Staten Island, New York. His reports to Howe were so precise that he was nicknamed "Eagle Spy" and the defeat of Washington's army on Long Island is said to have been attributed to Moses who discovered an unprotected backway into the American fortifications.

On October 22, 1781, the Doanes robbed the Newtown Treasury of 1,307 pounds sterling which was the largest robbery of public funds ever. It is believed that they buried the money near Wrightstown, Bucks County but it has never been found.

Moses Doane was shot and killed in a gun battle with a Colonel Hart along the Tohickon Creek near Plumstead. Abraham and Levi Doane escaped out the back window. Moses' body was returned to his parents and he was interred in an unmarked grave because it was feared that knowledge of where it was would induce citizens to desecrate it. One source said that the grave was on the neighborly Oberholtzer farm but other sources say it was someplace else.

The Pennsylvania Legislature offered a 100 pound reward for Abraham, Mahlon, Levi and Aaron Doane. Also the family of any citizen killed in attempt to capture any of the Doanes would receive 800 pounds. Mahlon is said to have joined other loyalists and boarded a boat for England. Abraham and Levi were arrested May 15, 1787 and after a trial, were hung on September 24th on Smith's island. Abraham's sister Mary attempted to pass a loaf of bread to her brother that had a saw and a file in it but it was discovered. She later returned disguised as an old woman and was able to pass a file to her brother but Abraham and Levi were hung before they could saw through the bars.

Aaron Doane had been sentenced to be hung but it was commuted on the condition that he leave the USA and he went to Canada and settled in Humberstone, Welland, Ontario where he died.

Joseph Doane was shot and captured in Dublin, Bucks County and transferred to a jail in Philadelphia. On 3/30/1784, he was tried and sentenced to be hanged but he escaped, went to New Jersey and taught school under an assumed name. From there he went to Canada where he settled in Humberstone Township, Welland County. In 1823 he returned to Bucks County, having walked the 400 miles to Plumstead, to visit relatives. Joseph was born 4/11/1752 Plumstead, Bucks County and died 6/4/1844 Walpole, Haldimand County, Ontario. He would have been a neighbor of the Oberholtzers (Overholts) of Plumstead.

**MEMORIES OF THE 100TH ANNIVERSARY**

Many lines were represented at the reunion. The most members were from Samuel Oberholtzer [SL] with 51 and the rest were 7 from Jacob Oberholtzer [JB], 6 from Jacob Oberholtzer [JL], 6 from Abraham Overholts [AV], 5 from Jacob Oberholtzer [JF], 4 from Mark Overholt [MT], 3 from Marcus Oberholtzer [MC], 2 from Hans Jacob Oberholtzer [HJ], 1 from Abraham Overholtzer [AS] and 1 from Marcus Oberholtzer [MV].

We want to thank John Weiler for all his hard work in preparing for the 100<sup>th</sup>. His wife said it would be strange not having so many emails come in after the "ball was over". John appreciates the members who took the time to inform him that they were not able to attend the reunion.

Kate Stirk and I had corresponded for about 19 years and it was so nice to finally meet her. Peg Overholt, widow of John L., was there with her son John from Virginia. Robert T. Overholser was there with his daughter Susan. He and his wife Helen had attended reunions for many years. David Overholser should have received a prize for his means of transportation. He came on his motorcycle from Richmond, Virginia. Darwin Overholt was there for the first time since his unfortunate accident in 2004. It was a delightful group of first timers and our regular attendees.

## ELIZABETH BAUGHMAN [JC123]

I only knew Elizabeth Baughman's birth date and the dates of her two marriages so I decided to do a "manhunt". I found the dates for her 1<sup>st</sup> husband John Orndorf and then I ran into a problem because my census source HeritageQuest was shut down for maintenance. I needed help and I turned to a friend in Germany who had access to Ancestry. He found what I wanted and I got my answer by email in one day. No, he isn't German, just an American now living and working in Germany.

On a well known Web Site, I found Caroline Kindig, daughter of Henry Kindig and Elizabeth Arndorf (translation: Orndorf). It said Caroline was born in Jimtown, Elkhart Co., Indiana. I was confused until I realized that it was short for Jamestown!

I found the obit for Henry M. Kindig in the Herald of Truth and it said he married Elizabeth Bachman Ollendorf which is very close to Elizabeth Baughman Orndorf.

I keep warning you about believing what you see on the Internet. In researching Elizabeth Baughman, I found that someone decided that she had a 1<sup>st</sup> marriage in 1835 to Reuben Kelly. It said she was the daughter of Henry Baughman and Mary Agler who had 12 children in Franklin County, Ohio and Elizabeth in Stark County. In between children, Mary must have run over to Stark County to have Elizabeth. Don't believe it. There were 2 Baughman families, ours in Stark County and the other in Franklin County. What concerns me is that others have copied this 1835 marriage to Reuben Kelly and this will go on for years and maybe someone will add a 4<sup>th</sup> marriage and, in the meantime, hopefully people will stop believing all they see on the Internet.
